

The Regional Health System of Acadiana is a family of complementary and affiliated healthcare facilities including The Regional Medical Center of Acadiana; Women's & Children's Hospital, a campus of The Regional Medical Center of Acadiana, and its Elaine M. Junca Women's Imaging Centre; and Lafayette Surgicare, all located in Lafayette. Together we represent one of the largest concentrations of healthcare services in the region.

Our network of experienced multi-specialty physicians provides Acadiana with a spectrum of award-winning and nationally recognized specialty healthcare services for all ages right here at home. For more information about our physicians and services, visit us online at regionalhealthsystemofacadiana.com.
